KORA

Workshop on the Conservation of the Balkan Lynx Mavrovo, Macedonia, 21-23 April 2005

Workshop on the Conservation of the Balkan Lynx Tirana, Albania, 25-26 April 2005

Results of Workshops

- *Improve conservation of the Balkan Green Belt*
- *Create a Balkan Lynx Conservation Alliance*
- *Build up capacity*
- *Organise an international meeting*

Progress

- ***Commitment to create a transboundary protected area Jablanica - Šibenik***
- ***Commitment to sign the Memorandum of Understanding on the conservation of the Balkan Lynx***
- ***First training workshops to build up capacity were performed***
- ***International meeting under the auspices of the European Council***

Next Steps

- ***Designate transboundary protected area Jablanica - Shibenik***
- ***Sign the Memorandum of Understanding on the conservation of the Balkan Lynx***
- ***Further training workshops to build up capacity***

Next Steps

- ***Identify further priority sites within the Green Belt and improve their protection status***
- ***Organise a baseline lynx survey and build up a monitoring programme***
- ***Start a field project on lynx conservation***

Thank you for your attention
