Vorgehen im Feld	Luchsrisse	Fuchsrisse	Hunderisse	Anderes
------------------	------------	------------	------------	---------

## Do not forget !

- Is it possible to assess the causes of death of the animal?
- Was the animal killed or consumed by scavenger ?
- Animal killed with a bite in the throat! (not only lynx)
- In case of uncertainty:
  - Leave it in the field and install a camera trap!
  - Ask for peer help

Thank you for your attention!
