

Establishing a Lynx Monitoring Network in Albania (2006-2012)

PPNEA TEAM
Capacity Building Workshop
2 October 2012, Vevchani, Macedonia

One of the aims in BLRP is...

Meeting and informing key stakeholders is crucial in order to improve the interest of these target groups for the project and to strengthen the commitment of network members. Furthermore, contacts and collaboration between participants are encouraged.

During six years we have done...

- 5 meetings with Directories of Forest Service (DFS)
 - Shkoder, Kukes, Peshkopi, Elbasan and Leibrazhd
 - Around 100 foresters included

- 4 meetings with Federation of Hunters and Local Hunter Associations.
 - Shkoder, Kukes, Elbasan, Librazhd
 - Around 80 Hunters included

- 1 meeting with Farmers
 - Kukes, around 20 farmers included

- 2 training sessions with students
(Elbasan, Tirana, 60 students involved)

- Informal meetings with local people during fieldwork sessions
- Including several volunteers in field (foresters, students, local people)

Thank you for your attention
